Ultra Laptop Stand

Part Code: EC/ULTRAHY

	Material	Aluminium Hylite
	Portable	✓
	Weight (KG)	0.27
Dimensions Folded	Width	250mm
	Height	325mm
	Depth Folded	2.5mm
	Height To Screen	190mm-250mm
	Adjustment Range	60mm

Produced from a single sheet of the aluminium/polypropylene sandwich material Hylite, it combines high flexural stiffness and extreme lightness.

The simple design integrates four cut-outs to retain connectors when the laptop stand is not in use and this simplifies the docking process.

Warranty: 1 Year

Features:

- Extremely light and flat
- Does not foul laptop controls
- Compact when folded
- Cable retaining cut-outs
